

The 7 Stages of Dealing With A Market Correction

| | |
|-------------------|--|
| Shock* | <ul style="list-style-type: none">• I was told this was just a long overdue, garden-variety technical correction |
| Denial | <ul style="list-style-type: none">• They aren't going to let this market fall apart ahead of the holidays. The fundamentals are still intact ! |
| Anger | <ul style="list-style-type: none">• This is all the Fed's fault. Those morons raised interest rates 8 times in a row ! |
| Bargaining | <ul style="list-style-type: none">• Please, just let me get back up 7% on the year and I promise to never get greedy again |
| Depression | <ul style="list-style-type: none">• Well I Guess I'll Never Be Able To Retire Now - This Sucks |
| Testing* | <ul style="list-style-type: none">• Maybe I Should Just Buy More Stocks At Lower Prices |
| Acceptance | <ul style="list-style-type: none">• Good thing I'm a long-term investor with a 25-year time horizon |
